Subject: Draft Reg 14 notification to residents

DRAFT WADHURST NEIGHBOURHOOD PLAN CONSULTATION

The Wadhurst Neighbourhood Plan Steering Group and the Wadhurst Parish Council (WPC) would now like to share with Wadhurst Parish residents and stakeholders, the draft of the **Wadhurst Neighbourhood Plan**. This process forms the Regulation 14 pre submission stage of the Neighbourhood Planning statutory process and allows resident / stakeholder to feedback to the Steering Group / WPC about the Plan.

Therefore please complete the review of the draft Neighbourhood Plan Summary and associated feedback survey (should take c. 15 minutes) by close of business on 15th August 2021, although we would prefer your response by end of June 2021 if possible.

Feel free to pass this notification to other members of your household or neighbours to complete their own review and feedback as well (the elderly or those without electronic devices may require your assistance).

Any additional comments not covered in the survey can be emailed to me at wadhurstnpp@gmail.com
