

PUBLIC NOTICE OF PLANNING APPLICATIONS

Version created 20th December 2021

Version 2 created 22nd December 2021

Wealden District Council (WDC) are the Local Planning Authority that deal with applications for the Wadhurst parish area. Wadhurst Parish Council are a consultee within the process of WDC considering and granting, or refusing, planning permission.

Usually, the parish council would have a planning committee meeting to discuss any planning applications sent through from WDC. However, due to COVID 19, the current rate of infection and the new OMICRON variant, we have been advised by the National Association of Local Councils (NALC) not to hold meetings in December.

The following planning applications are being considered by Wealden District Council. If you have any comments to make in either support or objection to any of the applications, please email them to the Wealden District Council: planning@wealden.gov.uk and please also copy in the parish council for their information: clerk@wadhurst-pc.gov.uk

WDC also publish a weekly planning list on their website, please see the following link: [Planning Weekly List and Other Publications - Wealden District Council - Wealden District Council](#)
