Committee meetings (Finance & Resources, Highways, Lighting and Transport and Amenities)

As decided at the annual parish council meeting on 18th May 2023, there will not be any further committee meetings scheduled until the council has a full complement of councillors and the current projects are finalised. This is to ensure best use of time for both the Councillors and the Clerk. Members will have working parties for the ongoing projects and any decisions needed will go to full council as an agenda item for consideration, and any decisions be minuted.
