Committee meetings (Finance & Resources, Highways, Lighting and Transport and Amenities)

As previously decided, there will not be any further committee meetings scheduled until the council has a full complement of councillors and the current projects are finalised, unless specifically requested by the Chair of the Committee/Chair of the Parish Council. This is to ensure best use of time for both the Councillors and the Clerk. Members will have working parties for the ongoing projects and any decisions needed will go to full council as an agenda item for consideration, and any decisions be minuted. Full council can resolve to schedule a committee meeting as required. An EGM can be called for any urgent matters that fall outside the proposed schedule of meetings.

¹ Date to be confirmed, as there maybe elections.

² Easter weekend is 3-6 April 2026
