- 4.11. Any addition to, or withdrawal from, any earmarked reserve shall be agreed by the council.

## **5. Procurement**

- 5.1. **Members and officers are responsible for obtaining value for money at all times.** Any officer procuring goods, services or works should ensure, as far as practicable, that the best available terms are obtained, usually by obtaining prices from several suppliers.
- 5.2. The Clerk/RFO should verify the lawful nature of any proposed purchase before it is made and in the case of new or infrequent purchases, should ensure that the legal power being used is reported to the meeting at which the order is authorised and also recorded in the minutes.
- 5.3. Every contract shall comply with the council's Standing Orders and these Financial Regulations and no exceptions shall be made, except in an emergency.
- 5.4. **For a contract for the supply of goods, services or works where the estimated value will exceed the thresholds set by Parliament, the full requirements of The Procurement Act 2023 and The Procurement Regulations 2024 or any superseding legislation ("the Legislation"), must be followed in respect of the tendering, award and notification of that contract.**
- 5.5. Where the estimated value is below the Government threshold, the council shall (with the exception of items listed in paragraph 5.12) obtain prices as follows:
- 5.6. For contracts estimated to exceed £200,000 excluding VAT, the Clerk shall seek formal tenders from at least three suppliers agreed OR advertise an open invitation for tenders in compliance with any relevant provisions of the Legislation. Tenders shall be invited in accordance with Appendix 1.

- 5.9. where the value is between £5,000 and £10,000 excluding VAT, the Clerk/RFO shall try to obtain 3 estimates (which might include evidence of online prices, or recent prices from regular suppliers).
- 5.10. For smaller purchases, under £5,000 the Clerk/RFO shall seek to achieve value for money.
- 5.11. **Contracts must not be split to avoid compliance with these rules.**
- 5.12. The requirement to obtain competitive prices in these regulations need not apply to contracts that relate to items (i) to (iv) below:
- i. specialist services, such as legal professionals acting in disputes;
  - ii. repairs to, or parts for, existing machinery or equipment;
  - iii. works, goods or services that constitute an extension of an existing contract;
  - iv. goods or services that are only available from one supplier or are sold at a fixed price.
- 5.13. When applications are made to waive this financial regulation to enable a price to be negotiated without competition, the reason should be recorded within full council/or committee minutes. Avoidance of competition is not a valid reason.
- 5.14. The council shall not be obliged to accept the lowest or any tender, quote or estimate.
- 5.15. Individual purchases within an agreed budget for that type of expenditure may be authorised by:
- The Clerk/RFO under delegated authority, for any items below £1,000 excluding VAT.
  - the Clerk, in consultation with the Chair of the Council (or Chair of the appropriate committee), for any items below £5,000 excluding VAT.
  - a duly delegated committee of the council for all items of expenditure within their delegated budgets for items under £5,000 excluding VAT
  - in respect of grants, these will be considered by full council
  - the council for all items over £5,000;
- Such authorisation must be supported by a minute (in the case of council or committee decisions) or other auditable evidence trail.
- 5.16. No individual member, or informal group of members may issue an official order (unless instructed to do so in advance by a resolution of the council) or make any contract on behalf of the council.
- 5.17. No expenditure may be authorised that will exceed the budget for that type of expenditure other than by resolution of the council (or a duly delegated committee acting within its Terms of Reference) except in an emergency.

- 5.18. In cases of serious risk to the delivery of council services or to public safety on council premises, the clerk may authorise expenditure of up to [£5,000] excluding VAT on repair, replacement or other work that in their judgement is necessary, whether or not there is any budget for such expenditure. The Clerk shall report such action to the Chair as soon as possible and to the council as soon as practicable thereafter.
- 5.19. No expenditure shall be authorised, no contract entered into or tender accepted in relation to any major project, unless the council is satisfied that the necessary funds are available and that where a loan is required, Government borrowing approval has been obtained first.
- 5.20. An official order or email shall be issued for all work, goods and services (above £250 excluding VAT) unless a formal contract is to be prepared or an official order would be inappropriate. Copies of orders shall be retained, along with evidence of receipt of goods.
- 5.21. Any ordering system can be misused and access to them shall be controlled by Clerk/RFO.

## **6. Banking and payments**

- 6.1. The council's banking arrangements, including the bank mandate, shall be made by the Clerk/RFO and authorised by the council; banking arrangements shall not be delegated to a committee. The council has resolved to bank with HSBC and Unity Trust.
- 6.2. The council must have safe and efficient arrangements for making payments, to safeguard against the possibility of fraud or error. Wherever possible, more than one person should be involved in any payment, for example by dual online authorisation or dual cheque signing. Even where a purchase has been authorised, the payment must also be authorised and only authorised payments shall be approved or signed to allow the funds to leave the council's bank<sup>1</sup>.
- 6.3. All invoices for payment should be examined for arithmetical accuracy, analysed to the appropriate expenditure heading and verified to confirm that the work, goods or services were received, checked and represent expenditure previously authorised by the council before being certified by the Clerk/RFO. Invoices will be presented to two councillors at the monthly full council meeting for checking and signing.
- 6.4. Personal payments (including salaries, wages, expenses and any payment made in relation to the termination of employment) may be summarised to avoid disclosing any personal information. *Note: the current two members of staff agree to agree to have their salaries published along with all other invoices/payments.*

---

<sup>1</sup> WPC are actively trying to update the banking mandates so that the Clerk/RFO sets up the online payment and two Cllrs authorise the payment. At present the Clerk/RFO deals with making the payment and prints off the receipt to show the amount paid matches the invoice and each invoice is signed by 2 x Cllrs. Also, all payments are checked against the payment list. All payments made are displayed on the bank reconciliation which is checked by another Cllr. If required, we can resume to writing cheques which are signed by 2 x Cllrs.

- 6.5. All payments shall be made by online banking/cheque, in accordance with a resolution of the council unless the council resolves to use a different payment method.
- 6.6. For each financial year the Clerk/RFO may draw up a schedule of regular payments due in relation to a continuing contract or obligation (such as Salaries, PAYE, National Insurance, pension contributions, rent, rates, regular maintenance contracts and similar items), which the council may authorise in advance for the year.
- 6.7. A copy of this schedule of regular payments shall be signed by two members each time it is updated or amended.
- 6.8. The Clerk/RFO shall have delegated authority to authorise payments in the following circumstances:
- i. any payments of up to £500 excluding VAT, within an agreed budget.
  - ii. payments of up to £5,000 excluding VAT in cases of serious risk to the delivery of council services or to public safety on council premises.
  - iii. any payment necessary to avoid a charge under the Late Payment of Commercial Debts (Interest) Act 1998 (or to comply with contractual terms), where the due date for payment is before the next scheduled meeting of the council, where the Clerk/RFO certify that there is no dispute or other reason to delay payment, provided that a list of such payments shall be submitted to the next appropriate meeting of council.
  - iv. Fund transfers within the councils banking arrangements up to the sum of £15,000, provided that a list of such payments shall be submitted to the next appropriate meeting of council (*will be shown on RBS Income/Expenditure reports*).
- 6.9. The Clerk/RFO shall present a schedule of payments requiring authorisation, forming part of the agenda for the meeting, together with the relevant invoices, to the council. The council shall review the schedule for compliance and, having satisfied itself, shall authorise payment by resolution. A detailed list of all payments shall be published on the parish council website.

## 7. Electronic payments

This section needs consideration and decision.

I have copied our current Financial Regs electronic payments section below in red so that you can consider/decide upon what you would like included within this section:

- 7.1. Where internet banking arrangements are made with any bank, the Clerk/RFO (and Assistant Clerk to deputise in absence of the Clerk/RFO) shall be appointed as the Service Administrator. The bank mandate agreed by the council shall identify a

**Commented [C1]:** This is the section that Cllrs need to consider and decide upon. Once Cllrs are set up with online banking it will be easier to follow the template but until that is in place we need to have Financial Regs to reflect what we are currently doing. Once online set up and Cllrs are able to authorise payments, then this section could be further updated.

number of councillors who will be authorised to approve transactions on those accounts and a minimum of two people will be involved in any online approval process. The Clerk and/or Assistant Clerk may be an authorised signatory.

Our current financial regs (approved Nov 2024) state: The Clerk/RFO will administer the online banking arrangements as per the Wadhurst Parish Council BACS payment policy)

- 7.2. All authorised signatories may have access to view the council's bank accounts online. The Clerk/RFO/Assistant Clerk can assist signatories with access whenever required.
- 7.3. No employee or councillor shall disclose any PIN or password, relevant to the council or its banking, to anyone not authorised in writing by the council or a duly delegated committee. Authorisation codes personal to authorises should not be disclosed to anyone else, including councillors or members of staff.
- 7.4. The Service Administrator shall set up all items due for payment online. A list of payments for approval, together with copies of the relevant invoices (or other relevant documentation to support the payment amount and receipt), shall be sent to two authorised signatories. The Clerk/RFO should endeavour to obtain both authorisations from members, with the Clerk/Assistant Clerk authorising payments only where this is not reasonably practicable.
- 7.5. In the prolonged absence of the Service Administrators an authorised signatory shall set up any payments due before the return of the Service Administrator.
- 7.6. Two authorised signatories shall check the payment details against the invoices or relevant supporting documentation before approving each payment using the online banking system.
- 7.7. Evidence shall be retained showing which members approved the payment online and a printout of the transaction (or written transaction code on the invoice) confirming that the payment has been made may be appended to the invoice for audit purposes.
- 7.8. A full list of all payments made in a month shall be provided to the next [council] meeting {and appended to the minutes}.
- 7.9. With the approval of [the council] in each case, regular payments (such as gas, electricity, telephone, broadband, water, National Non-Domestic Rates, refuse collection, pension contributions and HMRC payments) may be made by variable direct debit, provided that the instructions are [signed/approved online] by [two authorised members]. The approval of the use of each variable direct debit shall be reviewed by the council at least every two years.
- 7.10. Payment may be made by BACS or CHAPS by resolution of the council provided that each payment is approved online by two authorised bank signatories, evidence is retained and any payments are reported to [the council] at the next meeting. The

approval of the use of BACS or CHAPS shall be renewed by resolution of the council at least every two years.

- 7.11. If thought appropriate by the council, regular payments of fixed sums may be made by banker's standing order, provided that the instructions are signed (or approved online) by two members, evidence of this is retained and any payments are reported to council when made. The approval of the use of a banker's standing order shall be reviewed by the council at least every two years.
- 7.12. Account details for suppliers may only be changed upon written notification by the supplier verified by the Clerk/RFO/Assistant Clerk. This is a potential area for fraud and the individuals involved should ensure that any change is genuine. Verifiers should take proportionate steps to independently ensure that any change of details are correct. In the case of suppliers that are likely to involve large transactions, this could include phoning the supplier on a known number or requesting that the clerk makes a £1 payment for the supplier to confirm receipt of funds.
- 7.13. Members and officers shall ensure that any computer used for the council's financial business has adequate security, with anti-virus, anti-spyware and firewall software installed and regularly updated.
- 7.14. Remembered password facilities {other than secure password stores requiring separate identity verification} should not be used on any computer used for council banking.

**NOTE:**

Wadhurst Parish Council is currently going through the process of setting up the online banking arrangements so that two councillors can approve the payments, as detailed in the above section.
